

Fellowship course in Liver Transplantation Anaesthesia and Critical care was started by the Gujarat University of Transplantation Sciences from the academic year 2019-20. The purpose of this course is to enhance the skills and knowledge among the professionals as per the current needs of academics and society.

To acquire academic excellence as well as clinical and non-clinical skill competencies as desired by the course, the student shall actively participate in teaching learning activities as per the curriculum of the course. As this course is skill enhancement clinical course, it is a fulltime academic course.
