About The Vice-Chancellor

Prof. (Dr.) Pranjal R Modi M.S.,D.N.B. (Urology)
Vice Chancellor I/C,
Gujarat University of Transplantation Sciences (GUTS)
Professor and HOD,
Department of Urology and Transplantation Surgery
IKDRC-ITS, Medicity, Asarwa, Ahmedabad 380016.

Professor and head, Transplantation Surgery and Urology at Smt. G. R. Doshi and Smt. K. M. Mehta Institute of Kidney Diseases and Research Centre and Dr. H. L. Trivedi Institute of Transplantation Sciences (IKDRC-ITS), Ahmedabad. **Major Achievements:** Pioneer in retroperitoneoscopic living donor nephrectomy, robotic kidney transplantation, natural orifice insertion of kidney and laparoscopic & robotic kidney transplantation, Has largest experience in the world performing laparoscopic and robotic assisted laparoscopic kidney transplantation (177 case and 581 cases till 10th Feb 2021). **Established liver transplant program at public sector hospital and also Established Deceased donor organ procurement program in Gujarat, Currently, Convener, Gujarat State Organ and Tissue Transplant Organization.** **Invited Speaker:** Twice at British Transplant Society meetings, American Transplant Congress, American Society of Transplant Surgeons, Twice at Japanese Society of Transplantation, Society Internationale d'Urologie, Royal Society of Surgery Australia and New Zealand, Middle East Society of Transplantation, The Transplantation Society, Bangladesh Association of Urology Surgeons, Congress of Asian Society of Transplantation, Japanese society of Endourology.

Lectures at : Karolinska University Hospital, Stockholm; Tubingen University Hospital, Germany; University of Southern California, Henry Ford University Hospital, Michigan; University Hospital, Beijing; St. Mery University Hospital, Kurume, Japan; St. Jame's University hospital, UK; Sir Peter Medawar Transplant Unit, Liverpool, UK; Austin Hospital, Melbourne, Australia

(Awards): Maharshi Sushrut Gyanpith Seva Sanman, Dr. Mavlankar Gold Medal, Maharshi Dadhichi award, Best resident award in Urology, West Zone USI Gold Medal, Millennium International scholarship by USI

Padmashree Awardee Late Prof. (Dr.) H. L. Trivedi, FRCP (C), DSc First Pro Chancellor

Gujarat University of Transplantation Sciences (GUTS) &
Founder Director Smt. G.R. Doshi and Smt. K.M. Mehta Institute
of Kidney Diseases and Research Centre (IKDRC) and
Dr. H.L. Trivedi Institute of Transplantation Sciences (ITS)

About the University - GUTS

The Gujarat University of Transplantation Sciences (GUTS), the first University of its kind in the world for Transplantation and Allied Sciences, was established in the year 2015 under the State University Act. The idea of setting up such a University was conceived way back in 1998 and the seed of its inception was sown by Prof. H. L. Trivedi, Founding Director of Smt. Gulabben Rasiklal Doshi and Smt. Kamlaben Mafatlal Mehta Institute of Kidney Diseases & Research Centre - Dr. H. L. Trivedi Institute of Transplantation Sciences (IKDRC-ITS), Ahmedabad, Gujarat.

Objectives and Mission of the University

The Objectives of the University is to disseminate, create and preserve knowledge and understanding by teaching, research, extension service and by effective demonstration in the field of Transplantation and allied sciences. This university will provide efficient and responsive administration, scientific management and develop organization of teaching and research. It will be a centre of excellence for providing medical care, educational and research facilities of high order in the field of Transplantation and allied Sciences in the existing super-specialities and such other super-specialities as may develop in future, including cell and tissue transplantation, solid organ transplantation, composite tissue transplantation, xeno transplantation, cell, tissue and bio-engineering, genetics and translational research in humans, animals, micro-organisms and viruses. The other objective will also be to attain the highest standards of academic excellence by providing the necessary physical infrastructure and creating an intellectual environment conducive to free flow of ideas and meaningful exchange of information and knowledge with other foreign and national universities or institutions. The mission of the University is to serve as an academic and research nucleus to these specialties to improve the clinical, scientific, and social aspects of transplantation making it accessible and affordable to population at large giving them healthy and productive lives.

Currently GUTS have active teaching programs as follows:

- 1) M.Ch Urology (NMC Recognized)
- 2) DM Nephrology (NMC Recognized)
- 3) Post –Doctoral Certificate course Renal Pathology (PDCC) (NMC Recognized)
- 4) M.D Anaesthesia (NMC Recognized)
- 5) Fellowship programs in Liver Transplant Anaesthesia and Critical Care
- 6) Fellowship programs in Abdominal Organ Transplantation
- 7) Fellowship programs in Paediatric Nephrology and Transplantation
- 8) Masters in Physiotherapy (MPT)
- 9) MSc nursing in Nephrology and Urology Specialities
- 10) Postgraduate Diploma in Medical Laboratory Technology (PGDMLT)
- 11) Certificate Course in Dialysis Technology (CCDT)

About the Institute - IKDRC-ITS

Smt. Gulabben Rasiklal Doshi and Smt. Kamlaben Mafatlal Mehta Institute of Kidney Diseases & Research Centre - Dr. H. L. Trivedi Institute of Transplantation Sciences (IKDRC-ITS) is located in Civil Hospital Campus, Asarwa, Ahmedabad in the state of Gujarat, India. The institute was established on October 7, 1981 on an auspicious ninth day of Navratri and Institute of Transplantation Sciences was established as its sister institute in the year of 1997. Today it stands on the western end of the civil hospital campus, occupying an area of 15,000 sq. mts and total built up area of 20,000 sq. mts, it can boast to be largest tertiary care centre of its kind in the world. It has 400 indoor beds for Nephrology, Urology and Transplantation.

Institute of Kidney Diseases and Research Centre is one of the largest institutes in the world, based on three pillars of service, education and research, catering the needs of all classes of patients with kidney diseases. The primary objective of the institute is to establish, operate, promote, run and manage institutions engaged in service, education and research pertaining to the field of Nephrology, Urology, Transplantation, Hematology, Autoimmune and Genetic disorders.

The institute is recognized as Institute of National Importance by Department of Science and Technology, Govt. of India.

SERVICES BEING PROVIDED BY IKDRC-ITS

At present IKDRC-ITS, has an average annual OPD of more than 1,50,000, admission of more than 11000 cases in Nephrology, 8000 in Urology, 500 cases each in Pediatric Nephrology and Gastroenterology and liver transplantation, 600 cases in Pediatric Urology, 2600 in Obstetrics and Gynecology. IKDRC-ITS have performed about 400 kidney and 35 liver transplants per year and there is already a waiting list of patients to be treated. We are planning to expand infrastructure and facilities to cater further services. Institute now caters to the people of Gujarat for services of dialysis in most of the districts through its centres.

Dr. Geeta Parikh, M.D. (Anesthesia)
Professor and HOD,
Department of Anaesthesia, IKDRC-ITS

About the Department

The fellowship course in Transplantation Anesthesia and Critical Care is offered by the Department of Organ Transplant Anaesthesia and Critical Care which was established in the year 2006, to provide perioperative care to patients undergoing solid organ transplantation. In the year 2007 Dr. Veena Shah and Dr. Guruprasad Bhosale underwent training in Liver transplant anaesthesia and critical care at Karolinska Institute, Stockholm, Sweden. After obtaining training, the first liver transplant was performed in May, 2008 in a case of cryptogenic liver cirrhosis. In the year 2011, Dr. Manisha Modi and Dr. Guruprasad Bhosale underwent a fellowship training in Living Donor Liver transplantation at Asan Medical Centre, Seoul, South Korea. Since then, the institute has carried out more than 400 liver transplantations which includes Deceased Donor and Living Donor Liver Transplantation.

Four dedicated transplant operation theaters are equipped with modern anaesthesia workstations, Advanced haemodynamic monitors for monitoring various parameters like continuous cardiac output, Stroke volume variation, Systemic vascular resistance and mixed venous oxygen saturation, Patient warming system, Blood and fluid warmer, Rapid infusion system, Thromboelastogram for point of care monitoring of coagulation and series of infusion pumps for precise delivery of drugs. All central venous cannulations are done under ultrasound guidance to increase the safety of the procedure.

The department also looks after critical care unit which includes exclusive post liver and post kidney transplant ICUs. Critical care unit has a state of art facility for mechanical ventilation and multichannel haemodynamic monitoring for each bed, in house facility of dialysis, SLED, CRRT, blood gas analysis and non-invasive and invasive ventilators. Every year, more than 850 patients are admitted in the Critical care unit out of which more than 400 patients require ventilatory support. The department also performs fiberoptic bronchoscopy for diagnostic and therapeutic purpose.

ADMISSION NOTICE FOR FELLOWSHIP IN LIVER TRANSPLANT ANESTHESIA AND CRITICAL CARE

Introduction and guidelines for fellowship courses: -

Fellowship and/ or Certificate courses are being started by the Gujarat University of Transplantation Sciences from the academic year 2018-19. The purpose of these courses is to enhance the skills and knowledge among the professionals as per the current needs of academics and society. These courses will only aim at enhancing one or more basic competencies as defined for the eligibility qualification for the said course.

To acquire academic excellence as well as clinical and non-clinical skill competencies as desired by the course, the student shall actively participate in teaching learning activities as per the curriculum of the course. As these Fellowship /or Certificate Courses are skill enhancement clinical courses these are fulltime academic courses.

Applications are invited for Fellowship In Liver Transplant Anesthesia and Critical Care course for the academic year 2021-22 at G.R. Doshi and K.M. Mehta Institute of Kidney Diseases and Research Center (IKDRC)- Dr. H.L. of Trivedi Institute Transplantation Sciences (ITS), the constituent Institute of Gujarat University of Transplantation Sciences (GUTS), Ahmedabad.

DURATION OF THE COURSE: One Year

NUMBER OF SEATS: 2

CURRICULUM: Designed by the GUTS

- Candidates who have passed Medical Post Graduate degree Course recognized by the Medical Council of India are eligible to join in Fellowship course in Liver Transplantation Anaesthesia and Critical Care. This includes M.D.(Anaes.) /DNB (Anaes). One year Post - PG experience is not required for admission to this course.
